

TOP 10 PLACES TO EAT IN OCEAN CITY

2007 Ocean City Beach Guide

DCpages.com has come up with a new way for you to reach millions of beach-goers from the [Washington DC area](#). We are expanding this year's summer beach guide to feature a [Top 10 Places to Eat in Ocean City](#) page.

Reach the [Washington DC market](#) for a low introductory cost of \$600/season or \$200/month.

Your feature ad includes; the image of your choice, a direct link to your restaurant menu page, short description, address, and contact information.

Your [Top 10 Places to Eat in Ocean City](#) advertisement also includes three pictures of your choice (i.e. feature dish, guests enjoying a meal, etc) to be featured on our [2007 Ocean City Beach Fun](#) image gallery.

Inexpensively embark on ad campaigns that hit exactly the people you are looking for -- with informative, hard-to-ignore content.

Two to three family meals a month can pay for the entire ad campaign this summer.

Millions of people from the Capitol Region travel to the beach every year. DCpages can direct our readers right to you.

Top 10 Places to Eat in Ocean City

The Shark Restaurant

46th Street and the Bay, Ocean City
Phone: (410) 723-1221

Offering exquisite food in a casual atmosphere, The Shark Restaurant is one of Ocean City, Maryland's most popular restaurants. The Shark is centrally located in Ocean City - on 46th Street Bayside - just a few streets away from the Convention & Visitors Center.

Thrashers French Fries

807 Atlantic Avenue, Ocean City
Phone: (410) 289-4150

At Thrashers French Fries in Ocean City, the fries with vinegar and salt are the rage. Thrashers French Fries are a tradition for some in this city, where the fried potatoes have been a mainstay since 1929. Another location at 401 S Boardwalk.

How does this benefit me?

When you target a high traffic publication that is focused on regional information, you reach the prospects who are most appropriate for your business. Your ads can highlight special promotions and reach a specific market based on geography.

Are you ready to reach customers now?

Are Washington DC area beach-goers finding your restaurant?

45% of regional searches had a buying intent.

- BizRate-Kelsey survey of 3,900 consumers
